

HEBE

Sensio Hebe is a round backlit mirror with a wide black and silver frame. The fully diffused colour changing CCT, colour adjustable, LED border allows you to cycle through cool, natural or warm white light with a simple touch sensor.

The Hebe illuminated bathroom mirror is a stylish and modern solution designed to add an ambient glow to any bathroom. Also features a convenient demister pad offering a steam free reflection so it doesn't interrupt the daily routine.

BENEFITS

- Distinctive crackled silver and black frame
- Colour adjustable LEDs from cool to warm white
- Customise your mirror with intuitive touch sensor control
- Longer Life Span (Using LED technology)

KEY FEATURES

- Touch Sensor - On/Off and control color temperature.
- Integrated demister pad
- Framed LED's casing onto a silver background
- Keyhole mounting method of installation with screws
